THE CHIEF

1961

Joseph Case
High School
Swansea, Massachusetts

FOREWORD

To the yearbook staff was entrusted the honor of assembling "The Chief" of 1961. The task was not altogether an easy one, but we eagerly, though inexperienced, undertook it.

The staff sincerely hopes that this book will hold many fond memories, and in years to come will be a symbol of a small, but significant part of our lives.

Editor-in-Chief

DEDICATION

MISS HELEN A. REAGAN

To, you, Miss Helen A. Reagan, beloved principal and outstanding educator, the Class of 1961 is proud to dedicate "The Chief" in recognition of your faithful and devoted service to our school. Your constant understanding, your unwavering confidence in youth, and your personal interest in each student has aided and guided all of us during our years at Case High School. Above all you have taught us that life has a true meaning and that goals might be achieved when we work to the best of our ability. As you have said to us so many times, "May God Bless You!"

PREFACE

Joseph Case High School

ALMA MATER

Tune—Cornell ALMA MATER

Our strong bond can ne'er be broken
Formed in dear Case High
Far surpassing wealth unspoken
Sealed by friendship's tie.

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back o'er life's broad
track
To pleasures of past day.

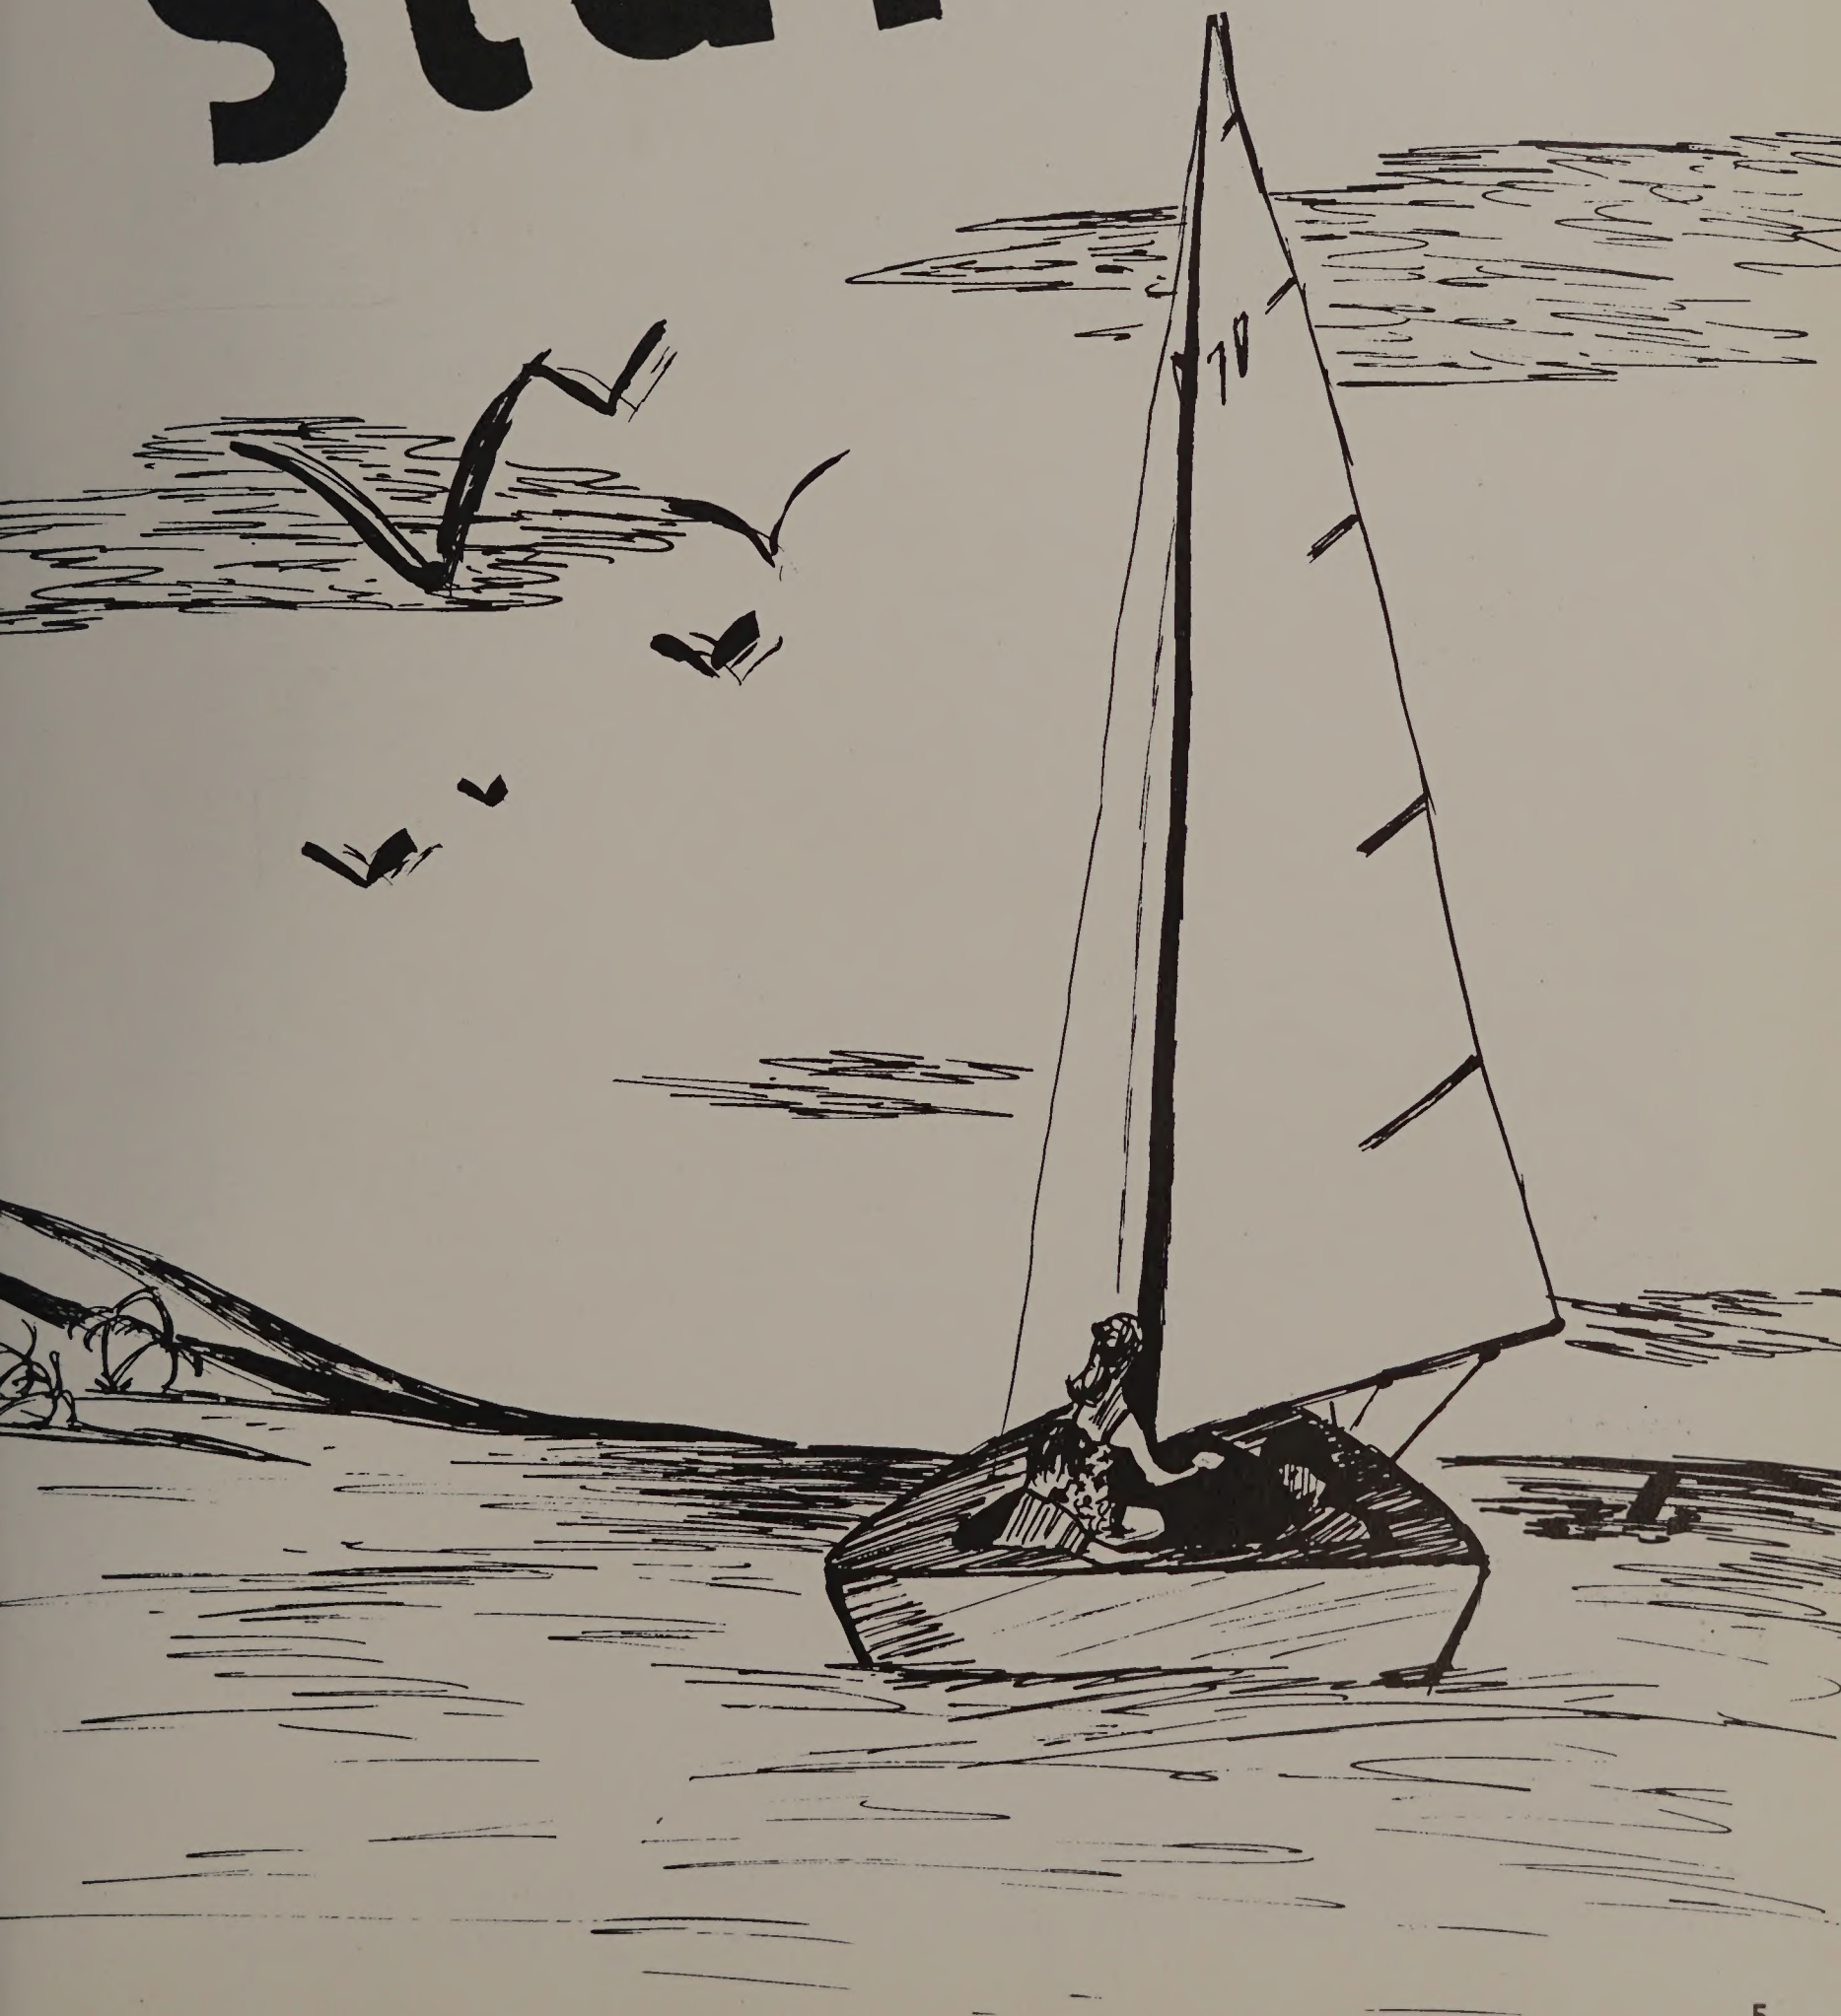

Words—Class of 1947

High School life at best is
passing
Gliding swiftly by; then let
us pledge in word and deed
Our love for dear Case High.

CHORUS

Alma Mater—Alma Mater
Deep graven on each heart,
Ode victorious we go
singing as from these halls
we depart.

SUPERINTENDENT'S MESSAGE

TOWN OF SWANSEA, MASSACHUSETTS DEPARTMENT OF PUBLIC SCHOOLS

RICHARD S. GREENMAN, SUPERINTENDENT

OFFICE OF SUPERINTENDENT
JOSEPH CASE HIGH SCHOOL
OSBORNE S-8326

December 1, 1960

To the Class of 1961:

In honoring the fiftieth state by making Hawaii the theme of your yearbook, you recognize the new status of a distant land. Although three thousand miles separate Honolulu from San Francisco, Hawaii, once a territory, is as secure in the United States as if it were located in the Middle West.

A land of natural beauty with year round temperatures between seventy and seventy-five degrees, Hawaii has developed from a trading center in the days of whaling to a modern agricultural and industrial giant. Sugar, pineapple, coffee and banana plantations kept packing plants and ocean freighters in competition with the world market. Education, the territorial legislature, and vacation industry have strengthened the young commonwealth.

A day will come when, like distant but valuable Hawaii, some of your personal possessions, not yet fully discovered, will be developed and thus increase your total value. Possibly you have a half-hidden ability to speak in public, solve a problem in human relations, find an answer in scientific research, or advance an argument in open debate. Possibly you have some other dimly seen or far away talent to be revealed through study or experience.

There may be a professional baseball player in the class, or a doctor, engineer, manufacturer, teacher, or leader in government.

When your special talent is developed enough, then like the territory that become a state, it becomes an important part of your total personality.

Hawaii reminds me of you and your future, in which I wish you rich rewards for your young talents.

Sincerely yours,

Richard B. Greenman

PRINCIPAL'S MESSAGE

PUBLIC SCHOOLS SWANSEA, MASSACHUSETTS

JOSEPH CASE HIGH SCHOOL
OSBORNE 8-8326

HELEN A. REAGAN, PRINCIPAL

To the Class of 1961:

Today you graduate! And as you stand at the threshold of your school for the last time as members of the student body, I feel that our roles are reversed. For the time you become the teacher and from your glowing self-confidence and hope I find a renewed courage and faith and again I recall the words of the poet:

"How beautiful is youth! how
bright it gleams
With its illusions, aspirations,
dreams!

All possibilities are in its
hands,
No danger daunts it and
no foe withstands."

These qualities - self-confidence and hope - courage and faith - are your natural birthright. With these as your vanguard your success is assured. To you it matters not that the state of your country's economy is portentous; that your immediate future is overcast by world conditions that are ominous, or that your very way of life becomes uncertain amid the stark and heinous threats of Communism. With the characteristic bravery and perseverance of youth you will override all threats.

This confidence I take from the lesson of your youth. Now let my experience and knowledge leave these words of counsel with you.

The time has come for you to take your place on that vast race course over which there are various tracks leading to a common goal - worldly success. Continuing to seek knowledge and experience, it is important that you exercise your ability to apply this knowledge and experience. Be sharp to recognize opportunity, for it comes in many a guise. Know that neither success nor opportunity will be handed to you freely. You must make it yourself and you must recognize it when it comes.

At best, success comes slowly, but to those of you who are particularly fortunate it will be yours and you will surely reach your goal. Unfortunately, others of you will fail because you lack the necessary attribute of endurance. Yet there are others in your group who may not attain a brilliant hoped-for success and who may even be accounted failures as the world judges, but who will be comforted by a personal satisfaction. To you the final achievement will not have been denied through lack of effort on your part. You are destined to be among those chosen to advance in years and still cherish the dreams of your youth. It is you in particular that I would reach, for:

"To seek is better than to gain,
The fond hope dies as we attain;
Life's fairest things are those
which seem,
The best is that of which we dream."

May God bless you with the vision and the courage to attain that degree of success for which you aim. May He help you to make our world a better place than you find it today.

Helen A. Reagan

VICE PRINCIPAL'S MESSAGE

PUBLIC SCHOOLS SWANSEA, MASSACHUSETTS

JOSEPH CASE HIGH SCHOOL
OSBORNE 8-8326

HELEN A. REAGAN, PRINCIPAL

To the Class of 1961:

It is now evident that we are caught up in a wild race for space. In past years our endeavors have been directed toward achieving success in the fields of science and technology. It now appears that we must re-examine our goals. Surely, we must have scientists and mathematicians, but to what avail if there is no understanding of man himself.

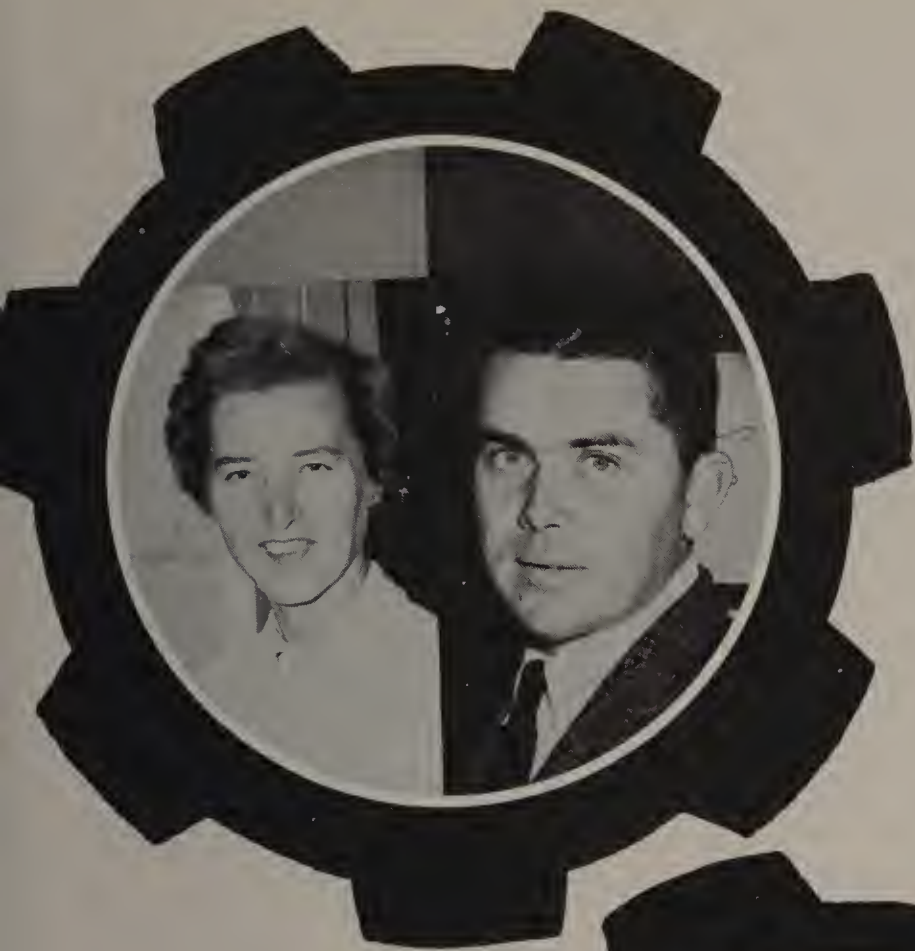

As you leave Case High School, the greatest problem facing the world will be that of living together in peace. No longer is it a question of can we co-exist, rather, it is an absolute necessity that we do. We must learn to live with all nations and yet not sacrifice our cherished individual freedom. This requires an understanding on your part of all peoples. It is hoped that your years at Case High School have directed you toward this understanding. The Bible calls this understanding love of man. The Apostle Paul said it this way:

If I have prophetic powers, and understanding all mysteries
and all knowledge, and if I have all faith, so as to remove mountains,
but have not love, I am nothing.

So it is with you. If you do not have love, which leads to understanding, for your fellowman, you will be nothing. Search for this love, this understanding, so that we may all live a more abundant life in a world of peace.

My personal best wishes go with you as you pass another milestone in your search for this understanding.

FOOTBALL SQUAD

Coach Jack McCarthy's debut at the helm of the *Cardinals* brought to Case its first winning team in two seasons.

Case was the underdog in almost every game and was outweighed in all its outings. After dropping their first two games in hard fought contests to Oliver Ames and Wareham, the boys in Maroon rallied the next week to beat Franklin. This was followed by an upset victory over Dighton-Rehoboth. Then they hit a slump by tying Falmouth and losing to Mansfield.

However, the determined spirit and hard play of the team brought about three straight victories! Bourne and Barnstable were the first two victories and the third,

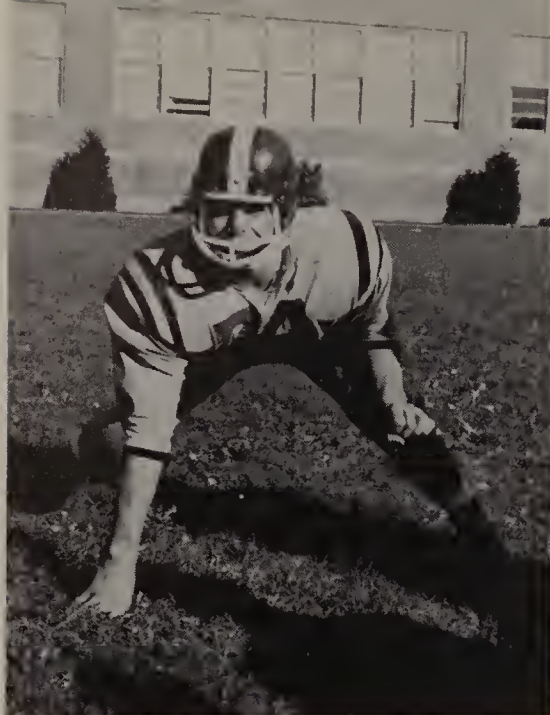

the team's biggest thrill, was a 14-6 victory over its traditional Thanksgiving Day foe, Somerset.

The "Mighty Midgets" had a respectable season record of 5-3-1 and captured second place in the Tri-County League with a 4-1-1 record.

The naming of seven Case players to the All-League squad was a fitting climax to the football season. Quarterback Paul Summers; end Jerry Carpenter; and tackle Richard Audet received first string berths. Halfback Jim Murphy was placed on the second team and John Corey, a defensive lineman; guard Tommy Eaton, and halfback Allan Fennelly were named on the honorable mention list.

BASKETBALL — VARSITY

Case High hoopsters wound up the season with a six and ten record. The Cardinals' lack of height and experience were the main reasons for the sub-par season. The Maroon and Gold showed great determination, however, and left their followers with several exciting memories. The Cardinals, under the direction of first year coach, Howie O'Hare, gained needed experience and look forward to a good season next year.

I think we'd better punt!

CLASS HISTORY

With graduation day close at hand we look back on our days at Joseph Case High School with many fond memories. The days pass swiftly now, and in these closing hours we see before us our history as a class.

In September, 1957, we entered the high school with high hopes and great enthusiasm. Advised by Mrs. Sullivan, we were headed by President Peter Generaux; Vice President Claire Montminy; Secretary Cynde Morin; and Treasurer Carolyn Hyde. A

Our junior year brought many happy memories and the long awaited time in which we would receive our rings. We have only to look down at our rings to remind us of the thrill we felt on this day. Class officers were: President Nancy Christopher; Vice President Rich Audet.

highlight of the year was the Latin Club Semi-Formal with David Britto and Elsa Gersch reigning as King and Queen. The remembrance of our trip to Benson's Wild Animal Farm in New Hampshire brings back memories of "biting bears" and "peanut throwing monkeys" to many people. Our first year of high school life ended with our Freshman Prom, "Midsummer Night's Dream." Class Day officially ended the year and left us breathless and eager to return the following year as sophomores.

As sophomores we really felt a part of Joseph Case High, for we had moved into the high school building. With this transition a new sense of responsibility and growing maturity shrouded us. Mrs. Alice Fallon rendered her guidance as advisor and our new officers were President Peter Sexton; Vice President Nancy Christopher; Secretary Thelma Shoesmith; and Treasurer Liz Dixon. Athletics in the form of football, baseball, and basketball entered the lives of many students who in future days would gain recognition as outstanding athletes. Class spirit was to grow and strengthen and develop into a strong bond that united our class and gave it a new strength.

Secretary Thelma Shoesmith; and Treasurer Liz Dixon. Mr. Paul Monahan was Class Advisor. The most memorable event in our junior year was the Junior-Senior Prom, "Pacific Paradise." Here an example of our strong class spirit became evident as

the whole class pitched in to transform the Boyd Gymnasium into a true "paradise" complete with palm trees, orchids, and a waterfall. Co-chairmen Diane Penrose and Jimmy Murphy directed this tremendous task and through their efforts the prom was

a success.

All of these memories pass before our eyes, but they are dimmed by the bright glow of events of our senior year. Advised by Miss Rita Sullivan, our senior class is headed by President John Corey; Vice President Joseph White; Secretary Betty Lyon; and Treasurer Liz Dixon.

The Student Council, advised by Mrs. Joseph Papandrea, is headed by President Paul Summers; Vice President Peter Sexton; Secretary Thelma Showsmith; and Treasurer Diane Penrose.

A great thrill in the sports field came when our Maroon and Gold football team defeated our rival Somerset High School team on Thanksgiving Day.

All of our sports teams received our devoted loyalty and praise for their courageous determination to bring victory to our school.

Now, events to look forward to include Class Day, the Senior Banquet, and the rewarding day of Graduation, the day we all look forward to and also dread.

For after graduation each member of the class will go his own way in search of happiness and success; friends will part; many will never meet again. But

the spirit of our class and our enthusiasm and faith with which we started our high school days will re-

main a part of us no matter how distant our paths become.

Isn't it beautiful!

The crowning touch.

D.A.R.

Each year the D.A.R. award is presented to the outstanding Senior girl. This year The Chief is happy to announce the recipient of the award, Diane Penrose. Diane was chosen both by the students and the faculty for her qualities of leadership, service, and patriotism.

Diane has been active in many extracurricular activities, and has contributed much to the Senior Class of '61 and Case High School.

The class extends to you, Diane, much luck and happiness in the future.

HARVARD AWARD

Each year, the Harvard Club of Fall River presents, to an outstanding Junior boy, the Harvard Book. Presented, this year, to David Yertzley, the book stands as a symbol of leadership, exceptional scholarship, and character. David, an outstanding, ambitious, and intelligent member of the Class of '62, is a true leader, and is assured of future success. Congratulations and best wishes are extended to you, David, from the Class of '61!
